Narbonne Notes

Seniors to Present 'Our Miss Brooks' at Narbonne on Dec. 2

By ADRIENNE SIDWELL. Now that everyone is pretty much back in the school grind, a lot of Gauchos are joining some of the numerous clubs to have more fun, meet new friends, and further their own particular interest in what the club offers.

A few of the clubs have already had elections, such as the Spanish Club, of which Robert Hargrave was elected to preside over its meetings. Other officers are Dallan Oakes, vice-president; Don Davis, secretary; and Rick Eckley, program chairman.

Last week, Rick Eckley was chosen to head the drama class for the semester. The other officers, who will assist Rick, are Louise Beckett, vice-president; secretary; and Dayne Trimble, treasurer. The club, sponsored by Mr. Leo Moronto, has chosen "Our Miss Brooks", for the Senior Play to be presented Dec. 2. At the present time, there is an enrollment of 19 girls and six boys. Mr. Moronto urges more boys to join. The class meets sixth period.

The Philharmonic Club, sponsored by Miss Alice Sturdy, will hold its elections tomorrow noon.

The club meets every Friday listens to records and attends musical affairs, such as operas, ballets, and orchestra performances.

Sign-ups for the different sports offered by the GAA were held last night. The season starts next Monday during seventh period. Swimming is also being featured on Tuesdays and Thursdays at the San Pedro Y.M.C.A. An individual credit for GAA may be earned in this way. All senior high girls interested in joining the GAA, are urged to come out next Monday. All that is necessary for joining, is to turn in an eligibility card (which may be obtained from Miss Horwig or Laura Tolbert) and pay the 50c dues. B-10 girls are especially invited to join the fun.

It certainly looked good to see all the newspapers and rags being brought to the various collection stations last Tuesday morning which was the day of Narbonne's first paper and rag drive of the semester. The results will be announced later. Five feet of newspapers or ten pounds of rags were required to

be able to see the award assembly movie, "Call Me Mister," with Betty Grable, Dan Dailley, and Danny Thomas, to be shown tomorrow.

Leslie Dean presented Myrna Gordon with a beautiful engagement ring, early last week. Congratulations, kids!

Last Saturday evening, the Jobs Daughters put on a Backward Dance, under the theme of "School Days", with Sal Frisina and his wonderful band providing the music at the Lomita Park. The dance, which saw a lot of Gauchos, lasted from 8 to 11:30 p. m.

Juniors from the Western Ave. Baptist Church had a "progressive dinner" last Tuesday night. All the kids reported that it was just "great".

Have you bought your student-body Activity Card yet? If you haven't you better hurry, time's running out! They are being sold in the business office. Quite a few cards have already been sold. Today's issue of the Green and Gold (school newspaper) will be given only to ticket holders.

Over the week-end Laura Tolbert and Marge Gullinan spent a few days in the San Gabriel Mountains, reporting that a swell time was had.

Don Litane, former N.H.S. student, is now taking a 13 weeks' basic training course at Lackland Air Force Base in Texas.

Narbonne's Varsity and Bee football teams seem to be shaping up pretty well. Other teams in the Marine League had better take good note of this!

All of Gauchoville's football games will be away. The first game (practice) will be Oct. 1 at Bell. Following is a complete list of scheduled games:

(*night games)
 Oct. 9—Narbonne vs. Morning side at Centennial* (practice).

2 Torrance Students Attend Leader Meet

Two Torrance students were among members of the Associated Student Legislative Council at the University of California at Santa Barbara who attended a two-day conference at Ojai Valley.

Donna Pat Wolf, of 21804 Halldale Ave., and Duane Mittan, of 719 Cota Ave., attended the workshop designed to orient new student leaders, and to discuss government problems.

Fees Now Attending Electrician School

Fireman Robert L. Fees, son of Mr. and Mrs. L. A. Fees, of 127 Reynosa Dr., is attending a Naval Electrician's Mate School in San Diego.

A graduate of Torrance High School, he enlisted in the Navy in May, 1954. During the 14-week course, he will learn the regular maintenance and operation of Navy electrical equipment.

More Than 100 New Members Signed to Elks

More than 100 members have signed for membership in the proposed new Elks lodge for Torrance, according to J. E. Yates, chairman of the organizing committee following the regular Wednesday night meeting in Alan-Richards hall.

Yates stressed the point that more important than obtaining transfers from other lodges, is the requirement of new members. Those who enter Elkdom for the first time, he said, will be given charter membership in the new lodge.

Aside from social benefits through membership in the lodge, Yates said, a lodge of Elks can become an important community asset. Elk charities and Americanism programs are well known and are entitled to the support of all other community interests.

Assistance to Elks who have obtained absolute limits or have allowed memberships to lapse, will be given and such individuals particularly are urged to attend the regular weekly meetings at the hall, 1951 Carson street.

TUNNEL TALK

Discussion of a tunnel under the English channel connecting France and England has been going on with some interruptions since 1867.

TEA TIME... will bring out such attractive frocks as this imported Scotch tweed which is trimmed with multicolor, hand-woven Peruvian braid. Teachers and teen-agers will find it adaptable to many occasions.
